guide

Software is the building block for a company's success. Arrai Innovations creates custom software solutions that act as a powerful foundation for a company. With Arrai, a client can now focus on the future, knowing their software will be there when they need it, now and into the future.

OUR CORE BRAND MESSAGE

Arrai Innovations is the custom business software solutions provider of the future.

OUR BRAND PERSONALITY

Adaptable, Analytical,
Competent, Curious,
Visionary, Creative

primary logo and colour

The identity features a complex 3D icon that contains a conceptual A that is shielding the I, representing a trusted partnership between Arrai and their clients.

The primary logo is displayed with the Arrai icon in blue and the wordmark in dark blue. The primary logo is to be used on a white background.

alternative colour combinations

clear space and minimum size

Let the logo shine by keeping it in a clean space free of clutter. Clear space surrounding the logo can be measured by using the width of the centre piece of the icon. This can be applied to all sides.

MINIMUM PRINT

1 inch

0.35 inch

Colour psychology: **Blue**

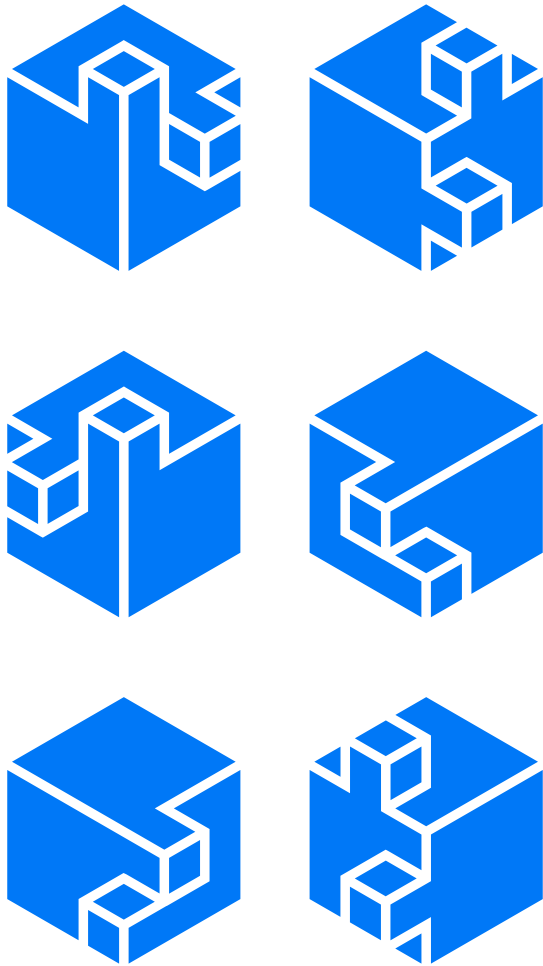

Competent and experienced, this colour palette presents Arrai Innovations as reliable and trustworthy.

From a colour psychology perspective, blue is reliable and responsible. This colour exhibits an inner security and confidence. The colour choice implies that Arrai Innovations will take control and do the right things to create order.

brand assets

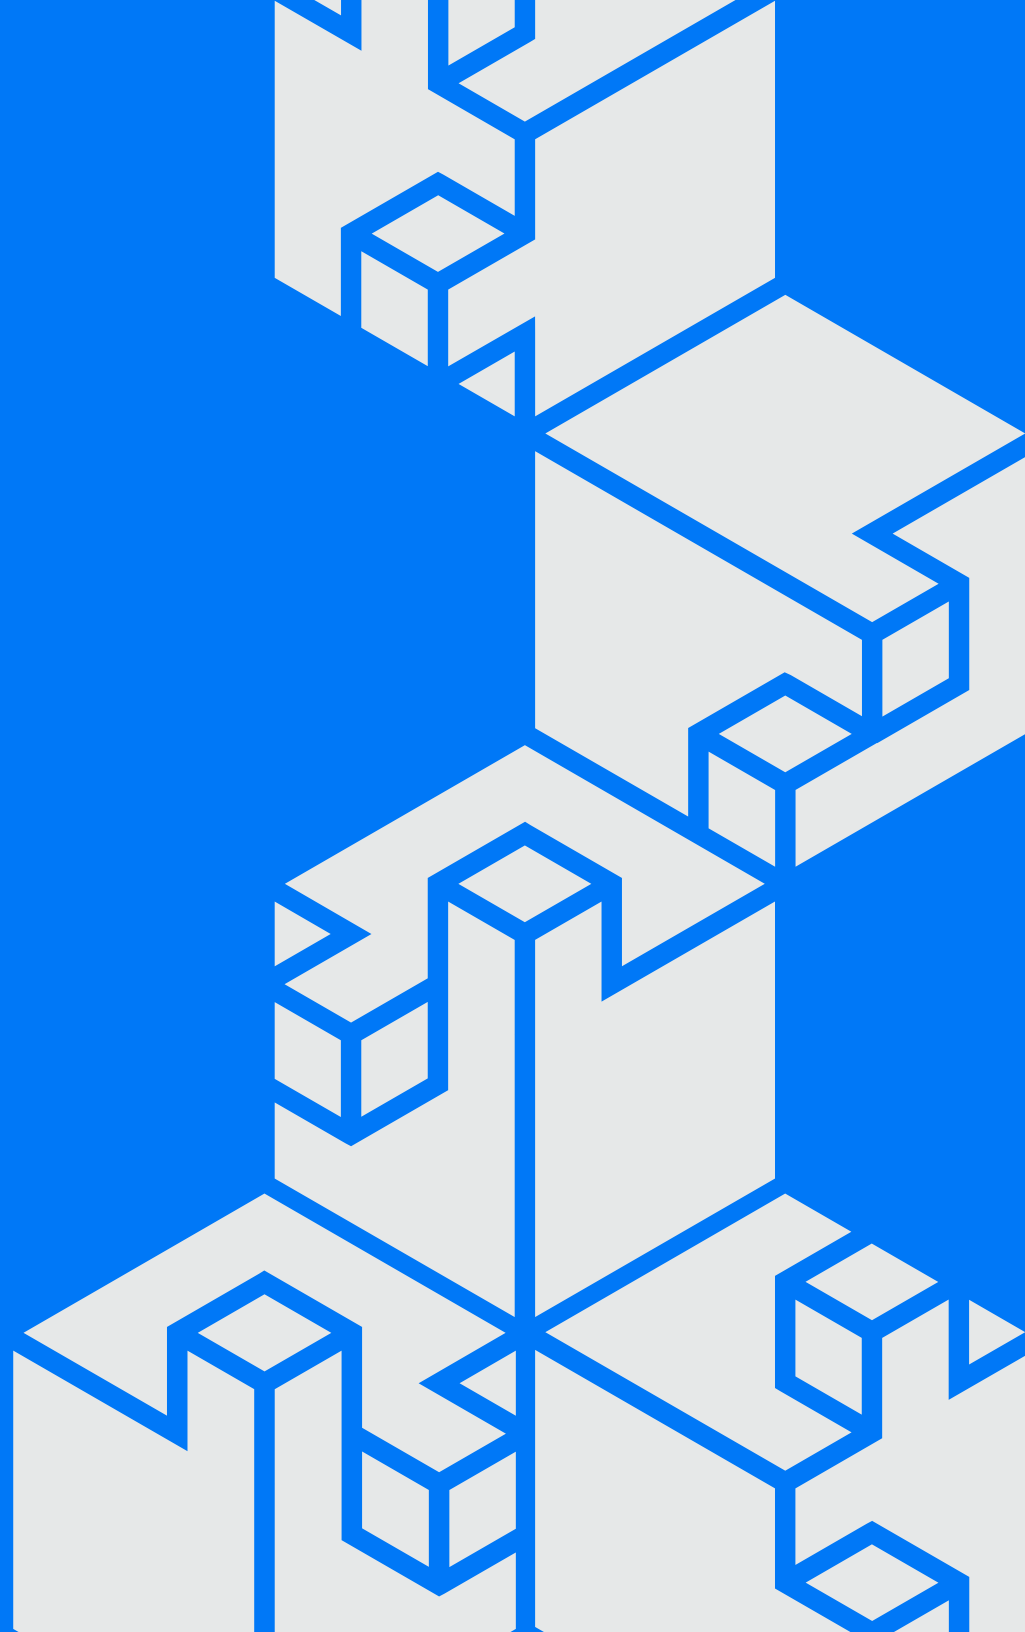

brand assets

Building Blocks: Every company is different, each with their own software needs and requirements to make their business flow. The building block theme identifies each Arrai Innovations project as an opportunity to create an unparalleled, unmistakably unique building block for each client.

software for success

Software for success is the heartbeat of Arrai Innovations. This line will be used as the positioning line for the company. The line communicates AI's service offerings. Further, it conveys the magic of the business-the result of a great partnership between Arrai Innovations and the client's business.
